

Mogami Bantam Patch Cables

Mogami 3/8" TT Bantam

The ultimate bantam patch. Designed for the rigors of pro-studio and broadcast use, this **Mogami** cable features a triple molding process that makes them virtually indestructible. **Mogami W2893** cable with quad internal construction assures highest performance and lowest noise. Colour rings on the connector jackets for easy identification.

Mogami 3/8" TT Bantam 'Pigtails'

Mogami PJM-X10 and **PJM-X20** are 'pigtail' cables with a **Mogami** bantam connector at one end only, ready for your connector or hard wired application at the other end. Available in 10' and 20' lengths.

Mogami cable
